

RELAX, UNWIND AND LEAVE HOLIDAY STRESSES BEHIND TRANSPORT YOURSELF (OR SOMEONE ELSE) TO "ANOTHER REALM"

With year-round sunshine, blue skies and a cool breeze from the Bay, South Tampa sets the perfect scene for outdoor spa services. And, true to form, Spa Jardin owner Amber Epler Prida aims to amplify relaxation, now offering the only outdoor spa treatments in the area—something she calls "touch therapies alfresco." Created to heighten all five of your senses, the private outdoor oasis at Spa Jardin, complete with a Japanese Koi pond and raindrop shower, is the new hot spot for reflexology, couples treatments and pedicures.
